

Data Visualisation Lab 3

Spring 2024

Q1

Choropleth chart :

Data: data.csv (shows total export and import with India over the years)

- Create a world choropleth graph for the 2019-2020 fiscal year .
- Allow the user to choose between export and import using a slider /radio button , and display the data chosen.
- (Bonus) highlight the country on hovering
